## Accessible Services

Waukesha Metro's fleet is wheelchair accessible, however, not all of our stops allow us to use our accessible features. Wheelchair users and people with other disabilities can call Waukesha Metro to determine if a bus stop is accessible.

**Call (262) 524-3636 for more information.**

## Reading the Schedule

- 1 Find the schedule for the day of the week and the direction you wish to ride.
- 2 Find the timepoints closest to your origin and destination. The timepoints are shown on the route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may be between timepoints.
- 3 Read down the column to see the times when a trip will be at the given timepoint. Read the times across to the right to see when the trip reaches other timepoints. If no time is shown, that trip does not serve that timepoint.
