Safe Purchase Exchange

In today's world, we buy and sell many items over the internet. Everyone should use caution when making purchases online. You should be especially careful when there needs to be an exchange of an item in person.

To help make a purchase exchange as safe as possible, the [Police Department](#) has designated a section of their parking lot as a safe internet exchange zone. The area is under video surveillance 24 hours a day to help keep you safe!

The Police Department is located at 1901 Delafield Street.
