

# What's Up In Waukesha

A Newsletter from the City of Waukesha

## Trick or Treat!

Trick or Treat will take place in the City of Waukesha next Tuesday, October 31 from 5pm-7pm.

Take a minute to watch the video by Police Officer Jose Arellano on Trick or Treating safety tips! You can also [watch the video in Spanish](#).

## Compost your Pumpkins

New this year- bring your pumpkins to the Drop-Off Center for composting!

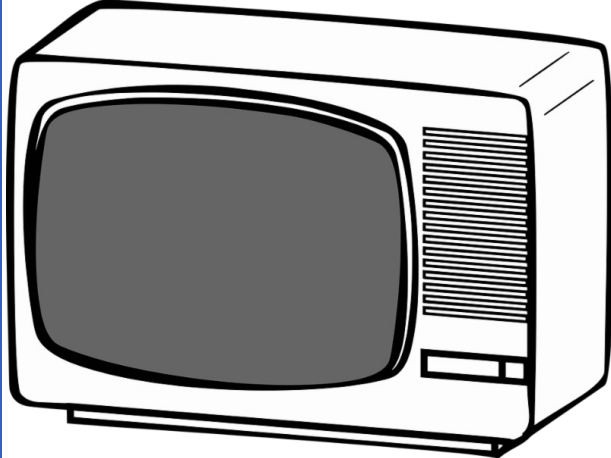

From November 1st until November 11th, the Drop-Off Center will do a trial program accepting pumpkins from City residents for composting. The City would actually prefer you bring your pumpkin for composting rather than putting it in the household trash (all trash goes to the landfill).

Click below for Drop-Off Center hours and information.

## TV and Electronics Drop-Off

The next TV/Electronics Recycling collection is on Saturday, November 4 from 9am - noon.

There is a \$25 fee for any TV and a \$10 fee for computer monitors which is the fee charged by the City's recycler. All other electronics are accepted at no charge.

Residents should enter the event at 600 Sentry Dr. (entrance to Clean Water Plant) and follow the signs to the drop-off area.

As a reminder, certain electronics (including TVs) are banned from the landfill by Wisconsin State law. They should not be placed in your regular garbage or recycling cart.
