Tree/Wreath Collection

Holiday trees/wreaths are being collected at the curb through the month of January. Trees must be free of lighting, decorations and other objects. Trees should not be in bags, twine or netting.

There is no set schedule for this collection. Crews will make their way through the neighborhoods as time allows.

No artificial trees or wreaths will be collected as these items may be put in

the regular trash.

During the month of January, you are also welcome to bring holiday trees/wreaths to the Drop-Off Center for free.
