Snow!

We haven't had a lot of snow this winter. When we do get snow, here are a few reminders:

- All sidewalks in front of your home

or business should be cleared and kept clear within 12 hours after the snow has stopped falling.

- When you are removing snow from your property, it must be kept off the roadway.
- Remember to clear the snow around your fire hydrant so crews can access it easily if needed in an emergency.

Thanks for your help!
