

# What's Up In Waukesha

A Newsletter from the City of Waukesha

## Every Second Counts

Every second counts in an emergency! When you are out clearing snow, remember to also clear around your fire hydrant. This helps the Fire Department and the City of Waukesha Water Utility to be able to respond quickly, should it be needed in an emergency.

## Baseball and Whiterock Redevelopment

City staff are reviewing a potential new financing method for the Frame Park baseball proposal. Due to this review, no discussion was held on Frame Park/Whiterock Redevelopment at last night's Finance Committee Meeting.

The next meeting where Whiterock Redevelopment Area/Frame Park Enhancements will be discussed is this coming Monday, February 19 at 6pm at the Parks Board (1900 Aviation Drive).
