## Stadium at Mindiola Park

The City is currently negotiating a draft contract with Big Top Waukesha to build a stadium at Mindiola Park that would support baseball and soccer.

The next meeting where the project will be discussed is the Parks, Recreation and Forestry Board on Monday, March 19 at 6pm. The Board meets at the Park's offices located at 1900 Aviation Drive. Please note that these meetings are not broadcast live. Residents are

welcome to attend the meeting in person. A voice recording of the meeting is uploaded to the City website in the days following the meeting.

## City Hall Update

The current City Hall was built in 1965 and has a number of infrastructure and safety concerns. At the Common Council meeting on February 22nd, the Council approved a contract with the architectural firm BWBR to complete two preliminary designs of City Hall. One design will be of a remodel of the existing City Hall. A second design will be for a new construction of City Hall somewhere on the current City Hall site. These designs are being created to provide the Council with further information on the two options.

There will be a number of milestones along the way with a final presentation of both designs tentatively planned to be made to Council in early August. We will keep you updated as we progress through this process.

## Fire/Police New Station Open House

The new Fire Station #3 and Police sub-station will be open to the public on Monday, April 9 from 5-6 pm. Come see inside the facility, meet Firefighters and Police officers, check out fire trucks and police cars... and more!

The new station is located at 2440 Les Paul Parkway.
