

What's Up In Waukesha

A Newsletter from the City of Waukesha

Have you checked out Downtown?

Check out these new features...
Downtown for a limited time:

- **Rain messages-** Temporary positive messages and images have been installed downtown that will only appear when it rains. Head downtown on the next rainy day!
- **Scarecrows-** Throughout downtown, creative scarecrows have been installed by businesses. They will be up through November 1st.

Construction Work

- Crackfilling on area roadways began on Tuesday. [Click here](#) for the map of the streets that could be impacted.
- The Canadian National railroad will be in town starting October 1-5 to make improvements to the Broadway railroad crossing. They are anticipated to work on the Barstow, Culter and Grand Avenue crossings on October 8-12.
- Updates on all City construction projects can be found on our

website at the link below.

Do you have a Detector?

The Fire Department encourages everyone to install and maintain carbon monoxide detectors on each level of their homes.

With cooler weather ahead, everyone is also encouraged to have carbon monoxide producing devices such as furnaces, water heaters, and fireplaces inspected by a professional.
