## Tree Collection

Trees are being collected at the curb through the month of January. Trees must be free of lighting, decorations and other objects. Trees should not be in bags, twine or netting.

There is no set schedule for this collection. Crews will make their way through the neighborhoods as time allows.

No artificial trees will be collected as these items may be put in the regular trash.

During the month of January, you are also welcome to bring holiday trees to the Drop-Off Center for free.

- Wear reflective clothing
- Stay on the sidewalk, where possible
- Allow drivers ample time to stop in icy conditions
- Always cross at intersections so you are easier to see.
