E-Poll Books

For the April 2nd election, the City will be piloting the first use of e-poll books at the Elks Lodge polling location (2301 Springdale Road).

Voters at the Elks Lodge will have the benefit of being able to proceed directly to any of the e-poll book workstation lines, instead of needing to wait in a ward-specific line.

The goal is to expand the use of e-poll books for future elections as they offer increased efficiency for voters
