'Tis the Season

As you are well aware, it is construction season. We ask that you please follow the below guidelines as we work together to get through the season:

- **Go slow!** - There will be construction vehicles and workers nearby so please drive carefully.
- **Don't drive distracted** – Please put away cell phones and other distractions. Focus on the road as there could be different traffic patterns from what you are used to.
- **Obey all traffic signs** – If a road is closed, please do not attempt to drive through the area.

You can read project updates on our website for current construction projects.
