Weapons Related Incident at Waukesha North HS

12/02/19

On Monday, December 2, 2019, at approximately 1:11 PM, it was reported that a Waukesha North High School student was in possession of a firearm. The School Resource Officer immediately launched an investigation and determined there was a possibility the student was inside of the school. The school was placed on lockdown to ensure the safety of students and faculty. Additional officers responded and conducted a search of the school for the known suspect; it was determined he was no longer on school property.

Officers responded to the suspect's residence on Gascoigne Dr., and due to the threat of a firearm, took precautions while attempting to take the suspect into custody. The Waukesha Police Department's HUMMV Rescue Vehicle, along with the Menomonee Falls Police Department Canine, responded to the scene.

The suspect, a 15-year-old male, was taken into custody without incident. A facsimile firearm was located hidden in the residence. Nobody was injured during the evolution of the incident.
