Suspicious Odor Investigation

02/10/2020

On Monday, February 10, 2020, at approximately 2:38pm Detectives from the City of Waukesha Police Department responded to the Wisconsin House located at 477 W. Main St. to investigate a suspicious smell from the building. Once at the building they located the smell coming from a room on the third floor. Due to the smell Officers determined they should evacuate the residents from the building.

The Waukesha Fire Department and the State of Wisconsin's Department of Justice, Division of Criminal Investigation responded to the scene. Waukesha Metro Bus responded to provide shelter for the people that were temporarily displaced during this investigation.

W. Main Street is closed to vehicular traffic from Maple Avenue to Wisconsin Avenue. Downtown businesses are all open and not hindered by this investigation. This is an active investigation and more information will be forwarded as this scene develops.
