Car Jacking/Vehicle Pursuit/Crash

03/04/2020

On today's date at approximately 1336 hours, the Waukesha Police Department was notified by the Metro Market located on Silvernail Road that a female customer had been robbed. When Officers arrived on the scene, they met with a 66-year-old female victim. She explained that she had been loading her groceries into the trunk of her car when a black SUV pulled up behind her and a black male jumped out of it. He then forcefully grabbed her car keys. The 66-year-old female chased the suspect around her car. Another black male jumped out of the black SUV and jumped into the victim's car. The original suspect then jumped into the driver's seat and sped off. The victim was startled, but unhurt.

A Waukesha County Sheriff's Department Deputy who was on I-94 was monitoring the call and observed the victim's vehicle pass him eastbound near the county line. He then tried to stop the vehicle which fled from him. The vehicle exited on Mayfair Road and travelled northbound in the southbound lanes. The pursuit ended in a crash on Mayfair Road at Walnut St. No one was injured in the crash and both suspects were safely taken into custody by the Waukesha County Sheriff's Department and the Wauwatosa Police Department.

After they were taken into custody it was discovered that the suspects were juveniles. One was a 15-year-old black male and the other a 16-year-old black male. They were transported to the Milwaukee County Juvenile Detention Center on Watertown Plank Road.

We would like to thank the Waukesha County Sheriff's Department and the Wauwatosa Police Department for their assistance in taking these violent suspects into custody.

This case is still under investigation.
