May 6, 2020

**For Immediate Release**

### **Community Special Events Cancelled in June and July**

With the health and safety of our citizens, volunteers, sponsors, and staff top of mind, the City of Waukesha is cancelling community special events where large-scale public gathering is natural and proper social distancing cannot be easily accomplished. Cancellations of City sponsored special events as of today, Tuesday, May 6, 2020 include:

- Civic Band Concert Series, June and July
- Monday Night Movies in the Park, June and July
- Tribute Tuesday Concert Series, June and July

Plans for the Independence Day celebration are continuing with modifications for social distancing. Additional plans for public interaction and smaller scale events and opportunities for fun are under way as Safer at Home restrictions are adjusting, including a community movie and #WaukeshaUnited activities.

Your support and cooperation are greatly appreciated as we work to balance public safety and the need to celebrate and support each other in our community.
