## TVs and Electronics INSTRUCTIONS

**Certain electronics (including TVs) are banned from the landfill by Wisconsin state law – they should NOT be placed in the garbage or recycling cart.**

We do not have a pickup of TVs/electronics at households and we do not regularly accept these items at the City of Waukesha Drop-Off Center.

Instead, residents should follow these options\*:

- 1) For computers, computer parts, flat screen computer monitors, DVD players, VCRs, clock radios, and all other electronics which are not TVs or CRT computer monitors – these may be taken to community drop-off events (*see reverse side of this flyer*), or to companies currently accepting electronics POSSIBLY including: Best Buy, St. Vincent De Paul, Recycle Technologies (Springdale Rd.) or the Waukesha Recycling Company (Tesch Ct.).
- 2) For TVs (and CRT Computer Monitors):
  - a. Plan to bring TVs to an **upcoming local drop-off event** (*see reverse side of this flyer for upcoming events*).
  - b. **Best Buy** will take TVs (for fee) up to 32” screen size. [www.bestbuy.com/recycling](http://www.bestbuy.com/recycling)
  - c. **St. Vincent De Paul’s** will take TVs and computer monitors for fees depending on sizes. Call them for current prices, location, and hours.
  - d. **Recycle Technologies** (Springdale Rd.) will take TVs for a fee. Call them for current prices, location, and hours.
- 3) For a pickup option at home, residents may try a disposal company like “1-800-Got-Junk” or “The Junk Shuttle” to come and pick up their items. Call local companies for current rates and more information.
